beginning again, facing the challenges of a new year —
 Sonja Faber arrives from Luxembourg for a year at GHS —
 sophomores welcomed by Pete Enwall —
 faculty, juniors, and seniors return to campus to open another school year
 early morning pep rallies arouse enthusiasm,
 undying loyalty, school spirit — following the mighty, mighty Canes —
 clubs grow through initiations —
 monogrammed trench coats herald cool weather —
 leaves fall and days shorten.

Dear Lee,
 It's been a most awful
 year. I've enjoyed knowing
 you. Hope to see you next
 year — good luck and

an exhilarating week, the lull before the storm —
 "Spirit comes alive as Canes thrive in '65" —
 Alpha first in skits —
 quintessence of the night, the crowning of lovely Ann Campbell
 her court: Susan Penk, Carol Roundtree, Barbara Wells, Elaine Tew —
 football sponsors: Barbara Martin, Steve Summerlin,
 Kathy Gallagher, Chappy Young —
 Canes defeat Boone Braves, 47-28 —
 a glorious victory for homecoming '65.

 in late November —
 glittering tinsel at Christmas —
 a time of love among nations —
 attending holiday basketball tournament
 seeing old friends home for vacation—
 the sun's rays upon glistening ice
 reflecting the clear beauty of winter days.

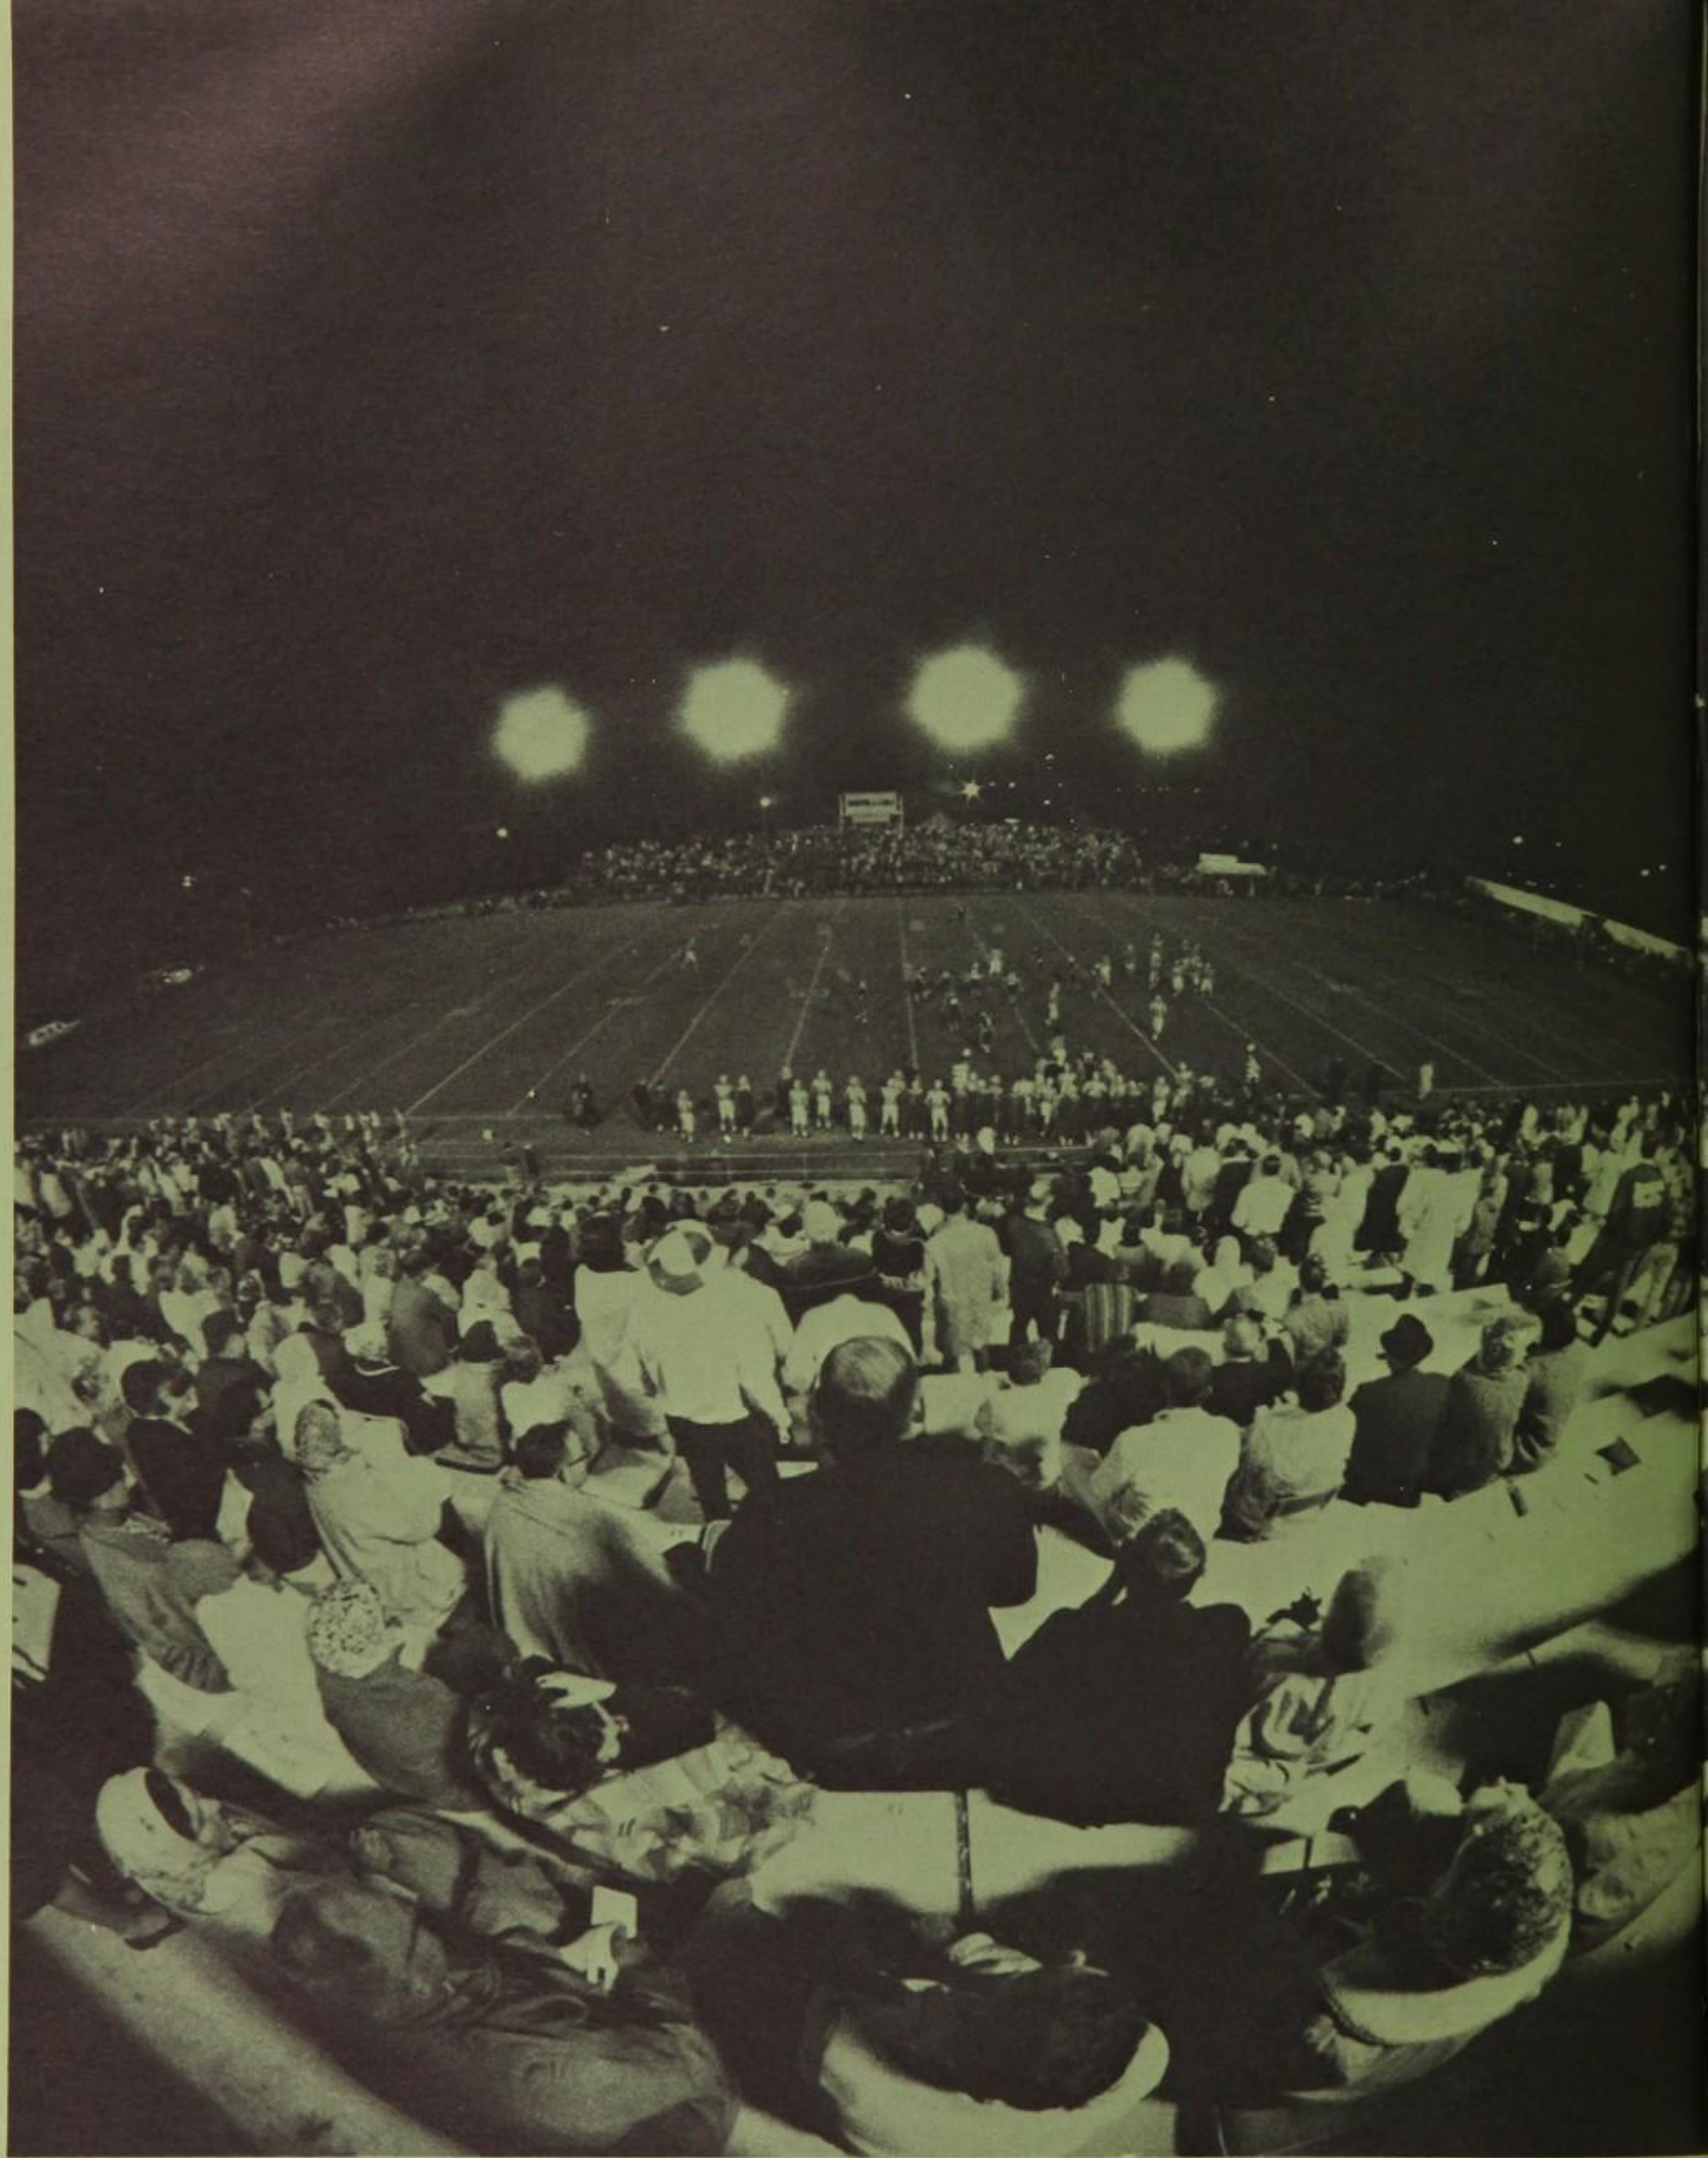

a beautiful blossoming, the first days in Spring —
 March 3rd and 4th, "You Can't Take It With You" —
 crammed suitcases ready to attend
 student council, language and club conventions —
 that joy of first loves and old affections —
 happy times and the dreamlike atmosphere of a magical night —
 a sombre note,
 college boards in May —
 the end of a year is drawing near.

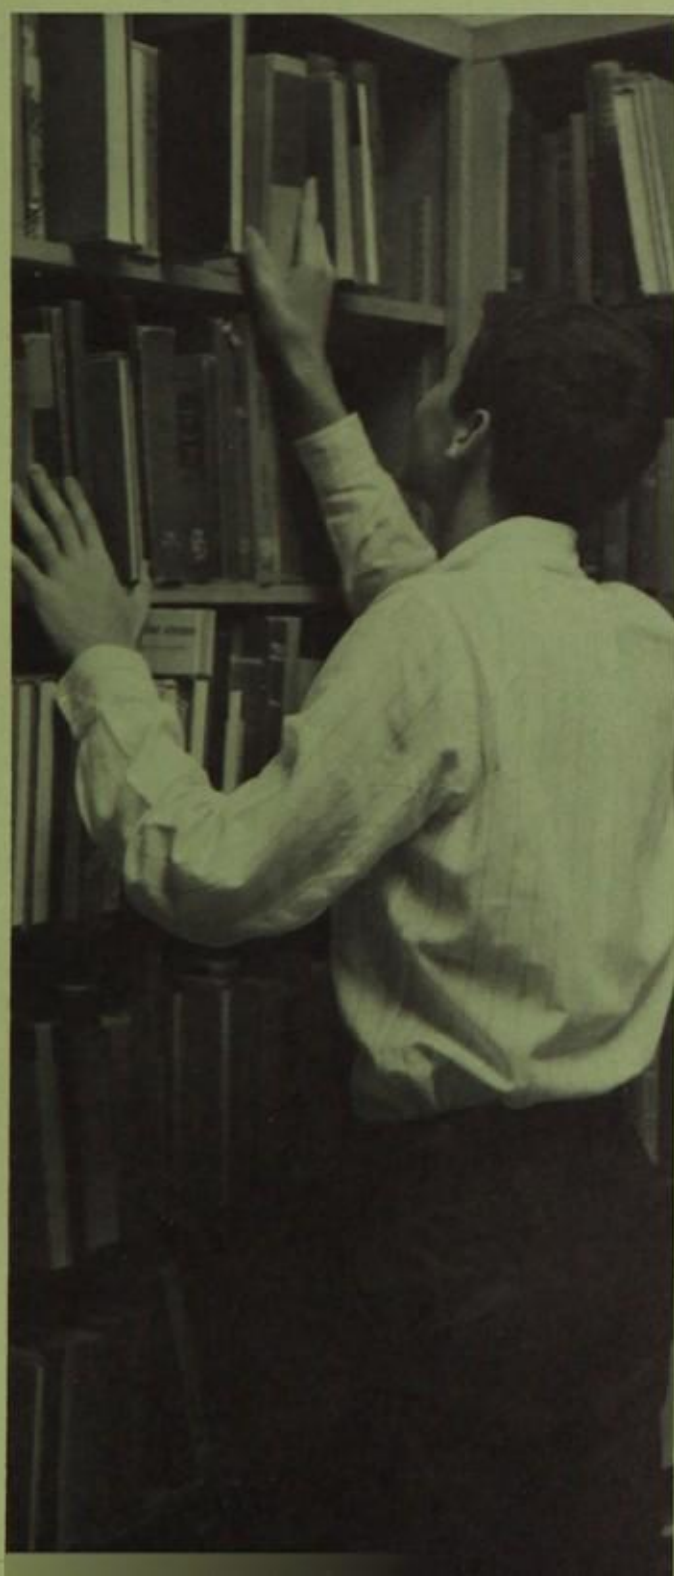

June, 1966, underclassmen leave to return
 another year in another class—
 seniors graduate to "Pomp and Circumstance"
 with mingled emotions—
 the joy of a goal attained
 the sadness of beloved memories

 a diploma symbolizing
 what has been and what is to be—
 confronting life, enduring conflicts, choosing—
 we remember our high school life
 "It was the best of times, the worst of times,
 It was the age of wisdom, the age of foolishness,"
 it was a time of youth,
 our three years at Gainesville High School.

community

the community — encompassing our daily lives —
 a growing city surrounding GHS
 shaping our character —
 entering into the vast world of business
 purchasing items
 realizing the true value of money —

spending leisure hours —
 a coke after school, dinner at night —
 working in student business
 purchasing influenced by student publications
 read by adults of the community —
 theaters provide places to go, things to do and see
 enjoyment for everyone —

crowded streets, busy feet, smiling faces,
 the tinkling of bells on a corner,
 colored lights, glowing tinsel —
 Christmas-time —

looking for just the right thing
 a prom dress, a graduation gift, a ring —
 deciding, buying it —
 in our community today

During summer vacation, a number of Gainesville High School students are employed by the **GAINESVILLE UTILITIES DEPARTMENT**, 555 SE 5th Ave. Some of the students work outside with construction crews and others are placed in Power and Water Plant Operations. The knowledge and experience the GHS student receives as an employee outweighs the financial compensation. These student employees realize that besides benefitting themselves, they are helping their community by providing Gainesville with dependable electric and water service. The **GAINESVILLE UTILITIES DEPARTMENT** welcomes the fine assistance of student employees, and is proud to serve the community in this manner.

*Two roads diverged . . .
I took the one . . .
And that has made all the difference.
—Robert Frost*

An empty Gainesville High School —
 within the shadows lie treasured memories,
 challenges faced, experiences sustained, difficulties overcome this year.
 A deserted Citizens' Field—
 a scene of growth in character,
 winning or losing.
 A chosen path —
 progressing toward higher goals,
 acquiring direction —
 Confrontations have been met . . .
 Conflicts have been overcome . . .
 Choices have been made.
